BLACK DIAMOND™

One Full Week To Produce Each Cabinet...

Black Diamond is our moniker for a stunning collection of contemporary Audio / Home Theater speakers. Sophisticated, stylish and accurate audio reproduction instruments, Pinnacle's Black Diamonds are encased in a lavish piano gloss finished cabinet. These beautiful speakers require 40 meticulous procedures and processes to attain their highly refined appearance. In fact, it takes a full week to produce each cabinet. Nine stages of coatings and polishing treatments culminate in an heirloom grade exterior that's certain to enhance any home décor.

Special Features

- Stunning high piano gloss finish
- Discrete, beautiful cabinetry featuring curved sidewall construction
- Separate pedestal stand included for TV or table placement
- Butyl rubber surrounds provide excellent cone control and exceptional durability
