

BD 2500

Premier 4-Element Audiophile Reference Floor Speakers

BLACK DIAMOND[™] SERIES

Pinnacle's **BD 2500** audiophile reference speakers are part of the flagship Black Diamond series. The BD 2500 stands apart with astounding performance for music or movies, stunning real wood veneer cabinetry, and Pinnacle's unprecedented value and warranty.

Pinnacle's meticulously engineered designs employ premium quality components, including the 4" midrange, with silver plated zinc-magnesium die cast phase plug and die cast basket, as well as the die cast basket 6.5" polycone woofers for improved bass definition.

Rock solid 3/4" cabinets with unique curved side-wall styling, are crafted for superb performance and minimal resonance. The Mahogany and Maple finishes reveal the natural beauty of the real wood veneer, so precise hue and grain may vary slightly from unit to unit. This is a natural and fitting aspect of the genuine wood veneer.
