

BD 500 OW

BLACK DIAMOND™
SERIES

One Full Week To Produce Each Cabinet...

Our popular BD 500 is now available in an on-wall format! The **BD 500 OW** uses the same superb woofer and tweeter as the BD 500 and offers a low-profile, architectural design perfect for wall mounting. The BD 500 OW is ideal in a rear channel application, matched with a second pair of BD 500 OW, or BD 500, BD 650, BD 1000, or BD 2000 as front channel options. Use the BD 500 OW for a superb background music speaker when an on-wall option is more desirable than cutting holes for In-Wall speakers. Available in Black or White Diamond™ Piano gloss, the BD 500 OW delivers superb performance in a discrete and attractive format.
