

KLCR

3-Element In-Wall LCR

Our **Kevlar® Series** of custom in-wall and ceiling speakers are designed for superior sound backed by “bulletproof” durability. Kevlar® is a cutting edge polymer with superior acoustical qualities when molded into woofer cones.

The KLCR is available individually or in a Theater Pack. **KLCR Theater Pack** is the first custom HomeTheater speaker package...all in one box! The new KLCR Theater Pack, part of our K-Series, **features 5 KLCR speakers**. The 5 LCR system approach creates an acoustically matched system suitable for any room conditions. Simply add the Pinnacle subwoofer of your choice and you're ready to go!

Special Features
