

QP 3 IW & QP 5 IW

IN-WALL Speakers for Flat Panel TVs

The **QP 3 IW** and **QP 5 IW** are the best In-Wall solution for flat panel TVs. The perfect visual and acoustic complements to a flat panel TV, the QP 3 IW and QP 5 IW were designed as high performance LCR (left/center/right) speakers. They can be used in any position in your Home Theater system or wherever an in-wall application is required. The ultra-flat, slim-line speakers are constructed of solid, durable extruded aluminum for minimum resonance. The purple coated plasma ultra-lightweight tweeters exhibit superb acoustical characteristics producing the most revealing high frequency response obtainable. The resulting sonic performance is exceptionally linear and stable.

Special Features

- Solid extruded aluminum construction for minimum resonance
- Speakers can swivel left to right for optimum direct-ability of sound.
- Paintable frame & grille to match any décor
- Includes hardware for In-Wall or On-Wall installation
- Both silver and black grilles included with the silver models, to match any décor
- Ultra-lightweight, titanium dome tweeter for superb detail
- Carbon graphite mid-bass drivers for smooth linear response
- Video shielded
- Gold-plated binding posts
- Internally braced
- Automatic overload protection circuit
- 10-Year transferable warranty on parts & labor

Specifications

QP 3 IW

QP 5 IW

	QP 3 IW	QP 5 IW
System Type	2-way, 3-element, Acoustic Suspension	Quasi 3-way, 5-element, Acoustic Suspension
Component Drivers	1" liquid cooled titanium dome tweeter with Plasma Vapor treatment (2) 3" carbon graphite woofers with butyl surrounds	1" liquid cooled titanium dome tweeter with Plasma Vapor treatment (2) 3" carbon graphite midranges with butyl surrounds (2) 3" carbon graphite woofers with butyl surrounds
Frequency Response	100 - 21 kHz	80 - 21 kHz
Operative Power Range	20 - 100 Watts RMS per channel	20 - 175 Watts RMS per channel
Recommended Amplifier Power	15 - 100 Watts, 200 Watts Peak	15 - 150 Watts, 250 Watts Peak
Sensitivity	86 dB @ 1 Watt / 1 Meter (2.83 Volts Pink Noise)	88 dB @ 1 Watt / 1 Meter (2.83 Volts Pink Noise)
Nominal Impedance	8 Ohms	8 Ohms
Dimensions (Vertical Orientation)	5 5/8" W x 17 7/8" H x 2 3/4" D (Cutout: 4 5/8" x 16 3/16")	5 5/8" W x 27 7/8" H x 2 3/4" D (Cutout: 4 5/8" x 26 3/16")
Finish	Solid extruded aluminum, Silver or Black	Solid extruded aluminum, Silver or Black
Weight	7 lbs. each	9 lbs. each
