

SUBcompact 10

**WARNING: DON'T LET THE SIZE FOOL YOU.
THIS TINY SUB PRODUCES GREAT BASS!**

Only a 12" Cube!

Pinnacle engineers did it again! Housed in a cabinet approximately a 12" cube, the **SUBcompact 10** delivers deep, tight bass response down to 25 Hz in a stylish cabinet sure to please the most discerning eye. Ideal for apartments, condos, medium and small living areas where the subwoofer needs to be heard but not seen. The front firing configuration allows for placement in built-in wall units and other custom situations. For larger living areas, try our even more powerful 12" woofer designs, the Sonic 500, SuperSonic or UltraSonic.
