

SUBcompact 8

Ultra Compact 8" Front Firing Acoustic
Suspension Powered Subwoofer

Only 10" Cube!

**WARNING: DON'T LET THE SIZE FOOL YOU.
THIS SMALL SUB PRODUCES GREAT BASS!**

The **SUBcompact 8** delivers deep tight bass response down to 27 Hz in a stylish 10" cube cabinet — sure to please the most discerning eye. Ideal for small living areas (500 sq. ft. or less) where the subwoofer needs to be heard, but not seen. The front firing configuration allows for placement in built-in wall units and other custom situations. Consider the larger *SubSonic* and *Baby Boomer* for larger living areas where a small footprint is desired.
